

WINNERS: Fuller's Head of the River Fours, Saturday 12th November

The club consolidated strong early season form, putting in excellent performances on our second Tideway outing of the season, in spite of a few last minute crew changes due to illness and injury. This was the first race on the Tideway for most of our relatively inexperienced squad, and the bar was set high following our wins in Senior 2 and Senior 3 last year.

We placed top in both the Senior 2 and Senior 3 coxed four categories, with the third crew coming home in second place in Senior 3, despite receiving a ten second time penalty. Osiris II came in as the fastest domestic coxed four, beating all the boats in the elite category bar a crew of Dutch internationals. Osiris IV placed strongly in Senior 3, demonstrating the excellent strength and depth of our athletes this year. Full results are available [here](#), or in summary below.
