Head of the River Fours

Sun Nov 14

Around Town: Festivals **FREE**  Family friendly

Time Out says

Annual race for crews of men's and women's fours on the Thames, from Mortlake to Putney. Around 500 crews will take part this year, on a 7km stretch of the river that takes between 17 and 30mins to cover (the action lasts around two hours). If the weather's right for an afternoon stroll along the river you'll be rewarded with a pretty spectacular sight.
